

St. Paul's 2017 Summer Program

General Information

This Summer Program is open only to students enrolled at St. Paul's School (incoming grades 1-5). St. Paul's Summer Program is designed to engage student learning of core subject materials in the areas of math and language arts. In addition, students will be invited to participate in arts and crafts, technology, science, and the CYO sports/cooking program. Students will enjoy a summer opportunity to socialize with classmates in their familiar school setting.

Mrs. Katie Kiss is the Summer Program Director. The program will be predominantly staffed by St. Paul's faculty/staff. For added supervision and to assist faculty, students in incoming grades 6-8 are eligible to apply for a counselor-in-training position.

Summer 2017 Program Dates:

- Session 1: Monday, June 12, 2017 – Friday, June 16, 2017
Session 2: Monday, June 19, 2017 – Friday, June 23, 2017
Session 3: Monday, June 26, 2017 – Friday, June 30, 2017
Session 4: Monday, July 3, 2017 – Friday, July 7, 2017 (**Camp closed 7/4/2017**)
Session 5: Monday, July 10, 2017 – Friday, July 14, 2017

Students can register for any or all weeks in the summer program.

*Payment Received after May 1, 2017: \$350/week (plus extended care, if applicable)

Register for 3 or more weeks and pay only \$250/week (plus extended care, if applicable), ,

Program Information for all Sessions:

Academic:

Students will be placed in various classrooms for grade appropriate academic instruction. Language Arts and Math will target curriculum areas for review and for extension of grade level knowledge. The goal is to bolster what has been taught in their previous year of study and to introduce students to new concepts that will be taught in the year ahead. Students will be given time to read daily for pleasure, and to complete summer reading assignments with teacher assistance.

Science:

Students will have an opportunity to learn more about the natural world. This is for students who love science and want ample time to pursue projects that build further on our school year science curriculum.

Spanish:

Students will gain an opportunity to build on their previous year Spanish curriculum and extend their foreign language knowledge skills.

CYO:

St. Paul's is pleased to collaborate with CYO to offer students an athletic program with a mixture of organized sports, group games, yoga, and unstructured free play.

Once a week, students will participate in CYO cooking class. Students will record their recipe, make a special dish, and taste their creations!

On Wednesdays, CYO will coordinate a Field Day of Play/Picnic. Students will walk to Day Street Park for lunch and lawn play.

Technology:

Students will be given the opportunity to learn a variety of creative and technical skills. Students will be able to practice their typing abilities, learn the ins and outs of Google Apps for Education and have fun creating projects with their friends!

St. Paul's 2017 Summer Program Registration Form

Registration for all programs is due April 1, 2017. A non-refundable deposit of \$150 must be enclosed with the registration form. The balance of the tuition is due no later than Friday, May 12, 2017. Students must be registered for the 2017-18 school year in order to attend this Summer Program.

Student Name (Please Print)	Age	Date of Birth	Entering Grade
-----------------------------	-----	---------------	----------------

Street Address	City	Zip Code
----------------	------	----------

Parent 1	Home Phone	Work Phone	Cell Phone
----------	------------	------------	------------

Parent 2	Home Phone	Work Phone	Cell Phone
----------	------------	------------	------------

Emergency Contact Name (relationship to student)	Home Phone	Work Phone	Cell Phone
--	------------	------------	------------
