St. Paul’s Parish Athletic Program

Philosophy

The St. Paul’s Parish Athletic Program is designed to be representative of Christian values in life. As Christians, we are constantly challenged to better ourselves. In team sports we strive for improvement, both as individuals and as a group. The development of Christian values is the primary focus of the St. Paul’s Parish Athletic Program.

The St. Paul’s Parish Athletic Program has four objectives:

• To promote and encourage the development of Christian values (character) through interaction with peers;
• To develop the concept of community through the participation in team sports;
• To promote individual mental, social, physical and spiritual growth and development through participation in team sports;
• To understand that the concepts of “team spirit and sportsmanship” cannot be over-valued. It is through these ideals that meaningful participation in community is possible for a child.

The St. Paul’s Parish Athletic Program has a responsibility to each of its participants (coaches, players, parents, and officials) to provide the best possible atmosphere of competition. Such competition should not be based solely in terms of winning and losing, but rather in terms of improvement, enjoyment, and the building of self-confidence. In order to accomplish these goals the participants must become gracious winners and losers, understanding that team participation and the goals mentioned above are more important than individual performance.

The concept of team participation allows the athletes to experience individual growth while encouraging the growth of their teammates, peers, friends and competitors. Team sports, competitive contests and special outdoor activities are opportunities to keep the body fit and the mind clear.

For these reasons the St. Paul’s Parish Athletic Program encourages the participation of all children, not merely the skilled athletes. In order to encourage wide participation and to foster Christian attitudes, the St. Paul’s Parish Athletic Program is built on a strong foundation of dedicated volunteer coaches and children open to learning and playing fairly.
**Goals**

The purpose of the St. Paul’s Parish Athletic Program is to provide a Christian atmosphere of play, which enables participants to develop the following skills and healthy habits:

1. to maintain good health through physical exercise;
2. to appreciate physical fitness;
3. to develop healthy social and interpersonal interests;
4. to learn basic fundamentals and playing skills;
5. to develop good sportsmanship;
6. to grow in social qualities of courage, initiative, honesty, cooperation, self-confidence, and loyalty;
7. to acquire an appreciation and understanding of league rules;
8. to play on their own level of competition, to be able to recognize and accept this level, and to strive to achieve reasonable goals for improvement;
9. to work for reasonable team and individual goals
10. to always put your best foot forward regardless of the outcome;
11. to enable non-team members to give support through attendance as a cheering section;
12. to support and welcome all teammates;
13. to grow closer to God, to Church and to each other through athletic competition.

**Roles and Responsibilities**

The St. Paul’s Parish Athletic Program, through the vehicle of sports, provides youth with an opportunity to practice Christian attitudes and responsibilities as well as to become friends with other children throughout the Archdiocese. St. Paul’s activities should exemplify the meaning of Christian sportsmanship. The guiding principle behind the enforcement of these Role and Responsibilities is that the behavior of everyone involved in the Athletic Program should enhance the children’s enjoyment of the sport.

Multiple Teams and Try-out Protocol

If there are sufficient players to warrant either two teams in a grade or it is necessary to combine grades for two teams, there will be tryouts for that sport. It will be at the discretion of the Athletic Board to determine if there are sufficient players for two teams. The Athletic Director or their representative and at least one other person (who is not the coach for that team) shall conduct the tryouts. However, if that Athletic Director has a child on the team in question, then two other neutral parties will conduct the tryouts for team delineation. Players must be registered before tryouts and any player who “quits” after tryouts will be restricted from participation in the next sport and be subjected to forfeiture of fees.

The reasons for yearly tryout are as follows:
• player’s abilities change over the off-seasons;
• new students/athletes attend St. Paul’s School or Parish.
If an athlete is unable to attend tryouts they will be placed on the second team. The reason for placing the athlete on the second team is due to the fact they have scored a zero at the tryout.

Tryout protocol is as follows:
1. all players must attend the tryout, each player should be evaluated every season;
2. each player will be evaluated on fundamental skills for that sport:
   a. Volleyball: passing, setting, hitting & serving
   b. Basketball: passing, dribbling, shooting;
3. the rating system for each skill 1-5:
   a. The score of 5 is the highest
   b. The score of 1 is the lowest.
4. as in practices, tryouts will be closed to all, other than the raters, coaches and athletic board members

Team Make-up is as follows:
1. the teams will be divided according to the player’s total tryout score;
2. the top scoring players will be placed on the 1st team, and will be placed in the higher CYO division.

Practices and Games Participation

Practices held in the St. Paul’s Parish Center are CLOSED to everyone, other than coaches and players. The reasons for closed practices are:
• for the safety of our athletes
• for the consideration of our coaches instructional time.
• to allow the player to practice without distraction

Parents/guardians and supervised siblings may wait for their child/children in the foyer of the school.
Practices:
1. St. Paul’s Parish Athletics Program practices take precedence over other practices;
2. Parents MUST advise the coaches beforehand when and why their child is going to miss a practice. Examples of unexcused absences will include the following: "I forgot; I didn't have a ride; I was grounded; I had too much homework;" etc. Unexcused absences also include conflicting elective activities: vacations, participation in another sport, music, scouts, and any other activity over which one has control. Examples of acceptable excused absences include any academic related tutoring, funerals, illness, and a singular conflicting event such as a family wedding, First Communion, 25th anniversary, etc. which cannot be rescheduled.
3. Every child will attend at least one of the two weekly scheduled practices.
4. Players who only attend one practice may not start the following game, but will be able to participate.
5. Players who are absent from school or left early from school due to illness may not attend practice. (unless the Principal or School Liaison has been notified prior to the absence and has granted permission to participate).
6. Parents are responsible for transporting their children to and from practices in a timely manner. The coaches are not responsible for organizing carpools, for driving children, or taking care of them before or after practices.

Games:
1. Every child who is on a team is to play in every game, according to CYO regulations;
2. Parents MUST advise the coaches beforehand when and why their child is going to miss a game.
4. When playing on two teams, a player’s primary responsibility is to their grade’s team.
5. A child pitching for a St. Paul’s baseball team may not pitch for other baseball teams until St. Paul’s league play ends.
6. Players who are absent from school or left early from school due to illness may not participate in the game. (unless the Principal or School Liaison has been notified prior to the absence and has granted permission to participate).
7. If a student is ejected from a game, he/she will be suspended from participating in the following game.
8. Parents are responsible for transporting their children to and from games in a timely manner. The coaches are not responsible for organizing carpools, for driving children, or taking care of them before or after games.
**Uniforms**

The game jersey and/or uniform will be provided by St. Paul’s Parish Athletic Board to athletes who participate in a sport. Uniforms are for game use only and are not to be used for practice under any circumstances. Written announcement of the time, date, and location of uniform distribution will be sent home with the child prior to the start of league play. Players unable to come on the appointed day should make arrangements PRIOR TO THE SCHEDULED UNIFORM HANDOUT DAY with the Uniform Coordinator to pick up uniforms. No uniforms will be distributed to a player that has an outstanding registration fee.

It is the Coaches responsibility to collect and return a complete set of the team’s uniforms. Uniforms are to be returned clean (wash or dry clean as appropriate) and in good repair. A minimum uniform replacement fee of $50.00 will be charged to the player for any lost or damaged uniform. The replacement fee must be paid prior to being issued an additional uniform. Students will not be allowed to play in the next season’s sport until uniforms from the previous season have been turned in and/or the replacement fee is paid.

**Student Athlete Academics & Conduct Guidelines**

Students participating in the St. Paul’s Parish Athletic Program must maintain acceptable standards of academic achievement, conduct, and effort. Failure to do so may result in the player being suspended from participation. If, at any time during the school year, a student athlete’s grades drop below a C (2.0) average or the student athlete earns a grade 3 or 4 in Behavioral Expectations and Learning Skills, that student athlete becomes ineligible to participate in the next sport season of that school year. If a student athlete becomes ineligible during a sport season, the student athlete will be allowed to finish out their current season, but then the student athlete will become ineligible for the next sport season. The only exception will be: if the student athlete’s Principal recommends to the School Liaison that an exception is made for that student athlete.

The School Liaison will notify parents and the Athletic Board when a student athlete is removed from participation. The Athletic Board will notify the Athletic Director, who in turn will notify the necessary coaches. During the ineligible period, student athletes will not be allowed to participate in practices or games.

The coach, Athletic Director, or the Athletic Board may restrict a player from participating because of inappropriate player’s behavior while at practices or games, at an athletic program activity, or for missing practice or game without a valid excuse. Coaches must notify the Athletic Director if a player has been restricted from participation. The parent(s)/guardian(s) will then be notified by the Athletic Director. Examples of unexcused absences include the following: "I forgot; I didn't have a ride; I was grounded; I had too much homework" etc. Unexcused absences also include conflicting elective activities: vacations, participation in another sport, music, scouts, and any other activity over which one has control. Examples of acceptable excused absences include funerals, illness, and a singular conflicting event such as a family
wedding, First Communion, 25th anniversary, etc. which cannot be rescheduled (unless the Principal or School Liaison has been notified prior to the absence and has granted permission to participate). If a player is ejected from a game, he/she will be suspended from participating in the following game. If a player quits a sport at any time after the initial sign-up period, tryouts, or after the start of a season, the player will be restricted from participating in the next sport unless the action was instigated by illness or some other situation deemed extraordinary by the Principal, School Liaison, or the Athletic Board. They will forfeit their participation fee unless deemed extraordinary by the Principal, School Liaison, or the Athletic Board.

**Participation Fee & Returned Checks**
The St. Paul’s Parish Athletic Program is solely funded through participation fees and fundraising.

**Participation Fees**
- Each athlete will pay a participation fee
- If in the event the participation fee creates a financial hardship, that family will contact the Athletic Director or Athletic Board President. In order to determine the financial assistance, certain information may be requested, such as but not limited to; prior year income tax return, current Supplemental Security Income (SSI) statement and/or verification of participating in a Public Assistance Program(s).

Fee and penalties due because of returned checks must be paid using cash or money order. If the fee and penalties are not paid in a timely manner, the athlete will be suspended from participation.
1. Player/Coach Grievances

If a participant or parent is experiencing a problem with a coach or an assistant coach, it should first be brought to the attention of the coach in verbal or written form. The exception to this would be instances where the coach is alleged to have committed an act of physical abuse or extreme verbal abuse. In those cases the complaint will be in written form and submitted directly to the Athletic Director or in their absence the Athletic Board President.

If the problem is not resolved at the coach's level, the situation will be reported to the Athletic Director and Commissioner(s) of that sport in verbal written form. If the need for a conference at this level arises, the Athletic Director shall notify the Athletic Board President and Commissioner(s) of that sport and arrange a meeting with involved parties.

If the conference does not result in a resolution, the Athletic Director and the Athletic Board President will call an Emergency Athletic Board Meeting.

If the problem is still not resolved, the Pastor will be asked to intervene and a meeting of the Athletic Board will be called to discuss the matter with him.

2. General Complaints

A grievance not involving player/coach relations should be submitted in writing to the Athletic Director/Athletic Board President. A written grievance should include: the names of all parties involved; dates and times of incidents; and a detailed description of the grievance. If the grievance cannot be addressed or resolved it shall be submitted for inclusion on the agenda for the next scheduled Athletic Board meeting.

The Athletic Board decisions shall be in adherence with the Athletic Board Handbook and represent the best interests of the parish and school. The decisions will be binding unless the Pastor himself overrules the Athletic Board. The pastor's decision will be the final decision.

3. Athletic Program Line of Authority:

1. Pastor  
2. Athletic Board  
3. Athletic Board President  
4. Athletic Director(s)  
5. Sports Commissioner  
6. Coach  
7. Assistant Coach

The Line of Authority should be adhered to and at NO time should anyone contact the Pastor with any grievance unless all other avenues have been exhausted.

ST. PAUL’ S PARISH ATHLETIC PROGRAM
Attachment D
CYO ATHLETICS PARENT CODE OF CONDUCT

This Code of Conduct applies to all parents/guardians of athletes involved in our organization’s youth sports activities

THE ESSENTIAL ELEMENTS OF CHARACTER-BUILDING AND ETHICS IN SPORTS ARE EMBODIED IN THE CONCEPT OF SPORTSMANSHIP AND SIX CORE ETHICAL VALUES:

TRUSTWORTHINESS – Be worthy of trust in all you do. Be loyal to your child’s team and to the whole youth sports organization. Live up to high ideals of ethics and sportsmanship. Teach your children the importance of integrity, honesty, reliability and loyalty.

RESPECT – Treat all people with respect at all times and require the same of your children. Treat game officials with respect. Don’t complain or argue about calls or decisions during or after an athletic event. Teach your children to treat other players, coaches, officials and spectators with respect regardless of race, creed, color, gender or ability.

RESPONSIBILITY – Consistently exhibit good character and conduct yourself as a positive role model. Exercise self-control; avoid displays of anger and frustration. Don’t retaliate.

FAIRNESS – Live up to high standards of fair play. Treat all competitors fairly. Be open-minded.

CARING – Offer positive reinforcement. Consistently demonstrate concern for athletes as individuals and encourage them to look out for one another and think and act as a team.

CITIZENSHIP – Honor the spirit of the rules. Teach your children to avoid temptations to gain competitive advantage through improper techniques that violate the highest traditions of sportsmanship.

I AGREE: “THE GAME IS FOR THE KIDS”

• I will respect the rules of the game and the policies of the CYO league.
• I will respect the officials and their authority before, during and after games and will never confront officials and/or coaches before, during or after the game. If I have a concern, I will take time to speak with my child’s coach at an agreed upon time and place. If I have further concerns beyond my conversations with the coach, I will contact my child’s Athletic Director.
• I understand only my child’s Athletic Director may contact CYO. I may not at anytime contact CYO or any other school or program regarding my concerns. I must go through my Athletic Director.

PARISH/PROGRAM WHERE MY CHILD/CHILDREN PARTICIPATE:

__________________________________________
GENERAL POLICY
The Parish Hall in the St. Paul’s School building will be reserved for the exclusive use of St. Paul’s School and Church including the various groups and clubs; and groups affiliated with the San Francisco Archdiocese. The Parish Hall will not be available to groups or persons outside of St. Paul’s Parish. The Parish Hall will not be available to individual parishioners for weddings or other events. The Parish Council will re-evaluate this position on a yearly basis.

A Parish Hall Reservation Calendar will be maintained in the Rectory. All requests for booking of the Hall must be submitted in writing. The Rectory staff will accept requests on or before November 1st for the following year. All groups and clubs will receive written notice reminding them that their requests for use of the Hall need to be submitted. Priority will be given to events sponsored by St. Paul’s Church and its clubs, St. Paul’s School, the School of Religion and events that generate revenue for the parish such as Bingo. St. Paul’s various groups and clubs will then be given priority use of the Hall. Recognition will be given to those groups and clubs that have historically sponsored particular events, but not to the exclusion of new groups or groups trying to establish new traditions. It is anticipated that there will be many requests for use of the Hall on Sundays in particular and every effort will be made to accommodate as many requests as possible. Where appropriate, groups will be encouraged to share the Hall. Use of the Hall on Sundays will also generate parking problems, which will need to be addressed.

RULES AND REGULATIONS
All Church and School groups using the Hall are expected to clean the Hall after each use.
Church and School groups will not be required to pay an advance cleaning fee or security deposit if they are going to clean the Hall themselves. All bookings must include the name and phone number of the individual who assumes ultimate responsibility for cleaning the Hall and making sure all doors and windows are locked upon departure. Unless other arrangements have been made, the Hall is to be cleaned at the end of the event and not the next day. If the Hall is not left in clean and satisfactory condition the responsible individual will be billed for the cost of professionally cleaning the Hall and any repairs required. That particular group will not be allowed use of the Hall until all bills are paid in full. The Parish reserves the right to charge a cleaning fee or security deposit to any group whose past use indicates advance fees are warranted.

Decorating the Hall must be done so as not to damage the walls, the paint or the floor. Scotch tape, thumbtacks or nails should never be used. Groups using the Hall will be given a detailed list of what kinds of decorations are acceptable. Groups and individuals will be charged a fee for holes in the walls and damaged paint and may be barred from use of the Hall. The Hall must be left in clean condition. A detailed list of what to clean and where to leave chairs and tables will be given to all groups using the Hall. Prior arrangements should be made for returning the key to the Rectory.
